October 4, 2019

Without a doubt, Grand Harbor Community Outreach Program positively impacts our Indian River County community. We are fortunate to have so many outstanding non-profit organizations to meet the diverse critical needs of the county's residents. The Grand Harbor Community Outreach Program is an integral part of what these agencies accomplish.

Your help allows our grant recipient partners to serve hundreds of children with after-school programs and care, and many more seniors now receive a hot meal delivered daily. There are veterans, people with special needs, homeless and domestic abuse victims whose needs are met through the programs of our grant recipients. There is more funding for literacy, job training and drug abuse programs and so many other critical services.

We are all volunteers, your friends and neighbors, (see Board of Directors on left) working to ensure that 100% of your contribution goes to the programs and agencies themselves. Our Corporate Sponsors cover 100% of our operating expenses. Each grant request is carefully vetted and judged in depth to ensure they deliver essential services and provide the greatest impact possible for the people we serve, right here in Indian River County.

Last season, we supported 37 Philanthropy grants totaling nearly \$420,000 and with our Evening of Giving event we were able to contribute over \$450,000 in total to agencies serving the needy in our county.

To those who have continuously supported our Outreach Program, I sincerely appreciate your support and thank you. To those who have not, I encourage you to join our team to help "Transform Lives, Strengthen Families, and Improve the Indian River County Community". I am not asking you to become a committee member, attend meetings, or do site visits as our Outreach volunteers do, but if you can we would welcome your help. What I am asking is for your financial support to help our Outreach Program accomplish its mission of helping the less fortunate residents of our county.

We thank you in advance for your donation, which may be tax deductible (please check with your tax adviser). There are many ways to give: Check, using the enclosed envelope, Company Matching Gift Programs, Shares of Stock, Charge to Grand Harbor Club Account and Credit Card. Please see our web site at [www.ghcp.org](http://www.ghcp.org) for donations by credit card or stock transfer.

With thanks and warm regards,

Jerry Reichert - VP and Chair, Annual Fund
