October, 2017

Dear Friends and Neighbors,

Without a doubt..... Grand Harbor Community Outreach Program positively impacts our Indian River County Community.

We are fortunate to have so many outstanding non-profit organizations to meet the diverse critical needs of the County's residents. Outreach is an integral part of what these 30+ agencies accomplish.

Your help allows our Grant recipient partners to serve hundreds of additional children with after-school programs and care and many more seniors now receive a hot meal delivered daily. There are veterans, people with special needs, homeless and domestic abuse victims whose needs are met through the programs of our grant recipients. There is more funding for literacy, job training and drug abuse programs and so many other critical services.

Do you know how important YOU are to the success of these programs? Every donation matters, large or small and together we positively impact more lives than any of us realize.

With your generous donation to us, we can continue to fund the 30 + grant requests we will receive this coming year. We are able to show you exactly who, what, where and how your contribution has impacted lives on a local level.

This year we plan to share with you some of the individuals and families who have taken part in many of the programs and services that your continued generosity has allowed us to fund. Stories and updates will be featured on our website (www.ghcp.org).

We are operated by volunteers, your friends and neighbors, to ensure that 100% of your contribution goes to the programs and agencies themselves. Each grant request is fully vetted and judged in depth to ensure they deliver essential services and provide the greatest impact possible for the people we serve, right here in Vero Beach.

May we count on you to join us this year with your support to help us achieve our mission of helping our neighbors to help themselves?

We thank you in advance for your tax deductible donation.

There are many ways to give: Check, Company Matching Gift Programs, Shares of Stock, Charge to Grand Harbor Club Account and this year by Credit Card.

With thanks and warm regards,

Edmund Cortez - VP and Co-Chair Annual Fund
Maureen Kane - Co-Chair Annual Fund
